

Become a CORAL SPRINGS

Community Partner

The City of Coral Springs is seeking retail businesses and community groups to partner with the City in our efforts to publicize City events and receive feedback from our customers on various services provided by the City.

Partners are asked to place the small Community Partner **countertop display** in a prominent place in their store, lobby, or meeting room. A Community Partner Liaison will visit each Community Partner quarterly to replenish the display.

In addition, our Community Partners will receive **e-mail newsletters** from the City with information on upcoming City events and important news.

The City's Community Partners will be listed on the City's web site at **CoralSprings.org/communitypartners**.
