Scholarship Program

As part of the City's annual Martin Luther King, Jr. Celebration, the Coral Springs Martin Luther King, Jr. Committee offers a scholarship program in honor of Dr. King. Now in its 15th year, the program is funded in large part by the Coral Springs Community Chest. The Committee augments funds through donations sought from local businesses and other interested parties. Scholarships are awarded regardless of ethnicity, race or creed.

Through the Committee's efforts, over 150 high school seniors have received scholarships in varying amounts based primarily on financial need. The students apply the scholarship money towards tuition costs at any institution of higher learning. The scholarship is available to high school seniors who live in Coral Springs and attend one of the five high schools serving Coral Springs: J.P. Taravella High, Coral Springs High, Stoneman Douglas High, Coral Springs Charter School and Coral Glades High.

The purpose of the Scholarship Program is "to provide funds to needy, local students who, through their words and actions, embody the spirit of Dr. King's teachings." Although preference is given to students with financial need, consideration is also given to the quality of community service performed by the applicants. By judging applications in this manner, students compete for the scholarship by demonstrating Dr. King's philosophy of giving, caring and community service.

Examples of past student initiatives include tutoring, feeding the homeless, assisting with blood drives and holiday activities, as well as worthwhile projects for nursing homes, the disabled, houses of worship and other community organizations.

The Scholarship Program is entirely dependent upon the generous contributions of individuals and corporations in the community. We would appreciate your assistance in making a difference in the lives of these deserving students.

Scholarship Winners

Scholarship recipients, like our 2011 students shown above, are honored at a special Awards Reception.

How to Contribute

The Scholarship Committee is currently working on scholarships for the 2012-2013 academic year and welcomes any donations to the scholarship fund.

If you wish to donate to this worthy cause, please make your check payable to The Coral Springs Community Chest (MLK Scholarship), and mail to: Joyce Campos, 9551 W. Sample Rd., Coral Springs, FL, 33065.

In addition to being recognized at a special reception, sponsors will be invited to receive a Certificate of Appreciation at a City Commission Meeting. Each sponsor's name will also be noted at CoralSprings.org/mlk and at the event's business luncheon and evening celebration programs.
