The Community Bus Service works in conjunction with connections to BCT Routes 2, 34, 62, 83 and 88.

There is a 50-cent fare for the community bus within the City of Coral Springs. Riders making the connection with BCT will also need to pay the appropriate fares.

The buses operate as close to schedule as possible, although traffic conditions may cause the community bus to arrive slightly early or late. The buses are all wheelchair accessible.

The Green Route Bus, which runs in the north side of Coral Springs, and the Blue Route Bus, which runs in the south side of the City, both make stops at Sample Road and University Drive, allowing riders to change routes.

The community buses are white with green or blue striping to indicate the route color.
