

Become a City of Coral Springs Community Partner!

The City of Coral Springs is seeking retail businesses and community groups to partner with the City in our efforts to publicize City events and receive feedback from our customers on various services provided by the City.

Our Community Partners will receive e-mail newsletters from the City with information on upcoming City events. In addition, partners may be asked to display posters and make flyers, City comment cards or other materials available in their locations. The City's Community Partners will be listed on the City's web site.
