Application for Portable Storage Units

Criteria

As per Land Development Code, Section 250129(7), portable storage units shall be permitted only in single family, duplex and multi-family zoning residential districts subject to review.

- The portable storage unit shall be placed in the driveway and be setback a minimum of ten (10) feet from the front property line (attach drawing).
- The total aggregate square footage of the unit(s) shall not exceed 130 square feet.
- Signage is prohibited on the portable storage unit.
- No portable storage unit shall remain at a site in excess of three (3) consecutive days.
- All portable storage units shall be removed immediately from the property upon issuance of a hurricane warning.
- **Permit is required to be placed in clear weather proof pouch that is visible to the street.**

Select one. ☐ Single family ☐ Duplex ☐ Multi-family (provide survey or site plan showing location)
