In 2017, The City Commission recognized 17 deserving high school students who were awarded Martin Luther King, Jr. Scholarships for the upcoming academic year. With the generous assistance of the Coral Springs Community Chest, as well as contributions from individuals the Coral Springs Martin Luther King, Jr. Committee was able to distribute scholarships ranging from \$500 to \$1,500 toward each student's college education. Students were evaluated on their level of financial need and community involvement. Since the inception of the MLK Scholarship Program, more than 250 students have been awarded scholarships.

Sponsors are recognized at golf tournament as well as at the annual MLK Celebration in January 2018.

High School seniors who are residents of Coral Springs and attend Coral Glades High, Coral Springs Charter School, Coral Springs High, Stoneman Douglas High and J.P.Taravella High are eligible to apply for this scholarship for the 2018/19 school year. Applications can be obtained in the fall from the Brace Advisors at each school or from the City's web site at CoralSprings.org/mlk. For more information, call Joyce Campos at 954-344-1005.
