

# Sticky Fingers

Arts and Crafts For Children 2 to 7 • Summer 2009

Sticky Fingers classes begin with a short story and continue with participants completing three special projects with instructor and parental assistance. Children will explore through hands-on activities, at various stations using paint, dough, textures, etc. Participation and creativity are encouraged.

Projects are not repeated — they are always new.

(Bring dad or mom's old shirt or smock)

**\$30 for a three-week session**

## Tuesdays
