

PROTECT YOUR HOME, PROTECT YOUR PROPERTY

THE CORAL SPRINGS POLICE DEPARTMENT IS PROUD TO OFFER FREE RESIDENTIAL SECURITY SURVEYS TO CORAL SPRINGS RESIDENTS.

A Coral Springs Police Officer will inspect your home to help make your family and your property more secure against burglars and vandals. The first purpose of a residential security survey is to identify features in your home and the daily routines of your family, which might make your home an easy target for a burglar. The second purpose is to advise you what steps may be taken to eliminate or reduce those hazards.

WHAT CAN I EXPECT FROM AN INSPECTION?

The security survey begins at your front door, and includes an inspection of all other doors, windows, locks, lights and landscaping. The police officer inspecting your home will compile a checklist of security weaknesses and hazards that require your attention. This list is then accompanied by recommendations you should employ to reduce the opportunity for crime. The inspection report and recommendations are left entirely with you, and all aspects of the inspection are kept confidential.

If you see suspicious activity, please call Coral Springs Police Dispatch at 954-344-1800, or dial 911 in case of an emergency.
