Wiles Road Widening Project

Between Riverside Drive and Rock Island Road

Project Update:

Broward County is pleased to announce that the continuation of widening of Wiles Road from Riverside Drive to Rock Island Road will begin this month.

Upcoming Project Activity:

The Wiles Road widening project between Riverside Drive and Rock Island Road includes:

- Widening of Wiles Road from a four to six-lane divided roadway to provide additional capacity
- Drainage improvements
- ADA improvements
- Sidewalks and bicycle lanes
- Landscaping and irrigation improvements
- New mast arm signalized intersections

Estimated Project Schedule:

- Begin Construction: Monday, May 7, 2018
- End Construction: Late 2019

Maintenance of Traffic:

The contractor will shift and maintain two lanes of traffic in each direction to construct drainage improvements along with the additional travel lanes, bike lanes, curb and gutter, and sidewalks. Some daytime single lane closures will be required during non-peak traffic times.

Project Management:

- Eisman and Russo, Inc. is providing the Construction Engineering and Inspection Services for this Broward County Project.

Contractor:

- Russell Engineering, Inc.

During construction, contractor personnel & inspection staff will work closely with residents and businesses in the construction area to minimize impacts caused by the project.
