Retire your
flag at the
Coral Springs
Gymnasium

Dear Coral Springs Neighbor,

This is a courtesy notice informing you that the American Flag you are flying may be innappropriately displayed or ready for retirement.

The Veterans Coalition of Coral Springs and the City of Coral Springs have teamed up to ensure that American Flags, flying proudly throughout our City, are respectfully displayed and honorably retired when their service life is over.

To this end, our City has reinstated a formal flag disposal ceremony that will be carried out on Flag Day, June 14th of each year. The ceremony includes city officials and features military veterans who conduct an inspiring and patriotic military ritual of flag disposal.

The ceremony is held at Coral Springs Veterans Park located at 6601 Royal Palm Boulevard, across from Park Summit.

Visit CoralSprings.org for more information.

All residents of Coral Springs and surrounding communities are invited to bring their torn, tattered, faded, or otherwise worn American flags to the Coral Springs Gymnasium, 2501 Coral Springs Drive, located just north of Royal Palm Boulevard. Flags will be collected and stored there until the Flag Day disposal ceremony.

Please join us in demonstrating respect for our nation's flag -- the symbol of "the land of the free and the home of the brave."

Tips to maintain your flag

A) Dry Clean. The flag can be dry cleaned.

B) Repair. Minor repairs to the flag are easily fixable by the seamstress at your local dry cleaners.

C) Rotation. When the displayed flag begins to show signs of wear, replace it while it is being cleaned or repaired.

D) Remove and Replace. Have a replacement flag on hand so that when a flag is in such condition that it is no longer a fitting emblem for display, it can be retired and replaced.

E) Retirement and Disposal. The flag, when it is in such condition that it is no longer a fitting emblem for display, should be brought to the Coral Springs Gymnasium to be properly disposed of in a dignified way.
