

Dear Applicant,

The Coral Springs Police Department would like to thank you for considering our police officers for your event. In this packet you will find the Police Off-Shift Employment Request Form and our Terms and Conditions. Please complete the application page in its entirety. Please initial each page of the Terms and Conditions, complete each section and sign on the last page. Once the packet is complete, please forward the entire packet to the Special Details office by emailing it to abacker@coralsprings.org. You may also hand deliver the packet to the Police Department at the below address.

Acceptance of your application does not guarantee that your off-duty detail will be filled. Please call the Special Details office prior to the detail date to confirm coverage. If your detail requires five or more officers, one of these officers will be a sworn police supervisor and compensated at a higher rate (please refer to terms and conditions for rates). Within this packet you will also find the current rates for holidays as well as a list of the holidays those rates apply to.

If you have any questions regarding the Off-Shift Employment process, please feel free to contact the Special Details Office.

Thank you,

Amy Backer
