4. CRA Annual Report

   Action: Board member Kasten moved, seconded by Board member Vasquez, to ratify the CRA Annual Report. The motion was approved unanimously (6-0).
5. CRA Monthly Budget Report

- Director Bartlett provided an overview of the monthly budget report.

6. May Meeting Date Change

- May meeting date to be determine if meeting is necessary. Director Bartlett to provide possible dates.

7. COVID-19 Business Assistance Programs: Discussion

- Director Bartlett mentioned that each City Department was tasked with producing short, mid and long-term objectives for reopening the City. An example of an objective from the Office of Economic Development, to take place once the economy is up and running, is to provide financial planning and advising for local businesses to help them to be more sustainable. This service would be provided at no cost to the business.
- ED Coordinator Scarpetta presented examples, from other CRAs in South Florida, of Business Assistance Programs established as a result of the COVID-19. Those CRAs are the Hallandale Beach CRA, Boynton Beach CRA and the North Miami CRA.
- Board members discussed the possibility of creating a new business assistance program as a result of the COVID-19 pandemic.
- CRA Counsel Steinerts explained that any businesses assistance program to be provided by the CSCRA must be included in the CRA Master Plan. The CSCRA Master Plan includes assistance programs but it does not include any language for assistance, either a loan or grant, to be provided under the current circumstances. Ms. Steinerts elaborated further explaining that the Plan must be amended to include this type of assistance. The Amendment for the Master Plan will have to follow a specific process and notices to the taxing authorities.
- Director Bartlett suggested new ideas to promote the businesses within the CRA (i.e. moratorium on outside tents, partner with BlueStream to broadcast TV ads, massive buy local campaign). These proposed ideas can take place immediately and without having to modify the CRA Master Plan.
- Deputy City Manager Heller mentioned that the City has created the Economic Recovery Task Force to gather ideas and monitor local and national economic recovery trends.
- Staff will present to the Board some ideas for business recovery (i.e. promotional campaigns). Director Bartlett offered to provide a list of the activities completed to date for economic development in general.
- Staff will move forward the process to update the Redevelopment Plan. Further, staff will provide the Board some of the suggested changes to the plan.

8. Other Business

Director Bartlett provided the following updates:
• **Cornerstone Update:** Project is moving forward. Plan amendment is going in front of Broward County in June. There may be some changes to the square footage intended for office space as a result of the COVID-19 pandemic as more people are able to work remotely.

9. **Adjournment**

• There being no additional business, the meeting adjourned at 5:23 PM.
