

Commercial Façade/ Rehabilitation Program **After**

Before

The Commercial Façade/Rehabilitation Program provides technical assistance within the Program Target Area and focuses on signage and lighting as well as redesigning storefronts. If eligible, funding is provided through the Department of Housing and Urban Development (HUD), Community Development Block Grant (CDBG) funds. The City has set aside funds to assist 2-3 projects.

Application Deadline: October 7, 2016.
For more information on participating in this program, contact the Community Development Division.
